

WHEN PRODUCTION MANAGEMENT SAYS:

“Our people need better training.”

“But I’m not sure how to do it.”

“Off-site travel for training is too expensive and time-consuming.”

“I can’t afford missed production.”

AND HR MANAGEMENT RESPONDS:

“Prove it.”

“I need justification for training.”

“I need concrete measurement of improvement.”

TOOLING UNIVERSITY SAYS:

“You’ve come to the right place!”

THREE STEPS TO A BETTER WORKFORCE:

ASSESS NEED

Online assessments from Tooling University tell you quickly and authoritatively how much your employee knows, and needs to know.

TRAIN

Online training for your production workforce: fast, affordable, convenient and effective. Includes classes on the fundamentals of metalworking and manufacturing.

MEASURE IMPROVEMENT

Each student’s improvement is monitored, documenting concrete evidence of progress.
